
CNH Tours: Antarctica Detailed Itinerary

Peninsula Explorer

Celebrate the best that the Antarctic Peninsula has to offer – from towering icebergs and impressive glaciers to unreal wildlife encounters, both on land and in the sea, along with unusual historical sites. Get ready to spend your days developing a unique and intimate relationship with this remote corner of our world.

Day 1: Arrival Ushuaia

Please arrange to be in Ushuaia on day 1 of our adventure. This will avoid stress over missed connections or flight delays as you arrive with plenty of time to unwind and enjoy the beautiful Arakur Resort & Spa or spend time discovering the southernmost city in the world, Ushuaia.

Day 2: Ushuaia

Explore the sights of Ushuaia such as the museums and Argentinean leather markets or continue relaxing at the hotel. Attend the optional evening briefing for the opportunity to ask questions and meet some of your fellow travelers. If you like, we can help arrange interesting day or ½ day trips on this day.

Day 3: Ushuaia / Embarkation / Casting off

Spend your morning exploring Ushuaia or unwinding at the resort until our mid-afternoon transfer to the ship. Our Expedition Team and ship staff will greet you on board, followed by a safety and orientation briefing and Captain's welcome dinner.

Day 4 - 5: Drake Passage

Join our Polar Experts as they teach you about everything Antarctic, from wildlife to history; participate in our renowned Citizen Science program; or sit back and take in this fabled journey while catching exciting glimpses of wildlife. Grab your binoculars to identify the many seabirds that follow the ship as we cross the Antarctic Convergence into Antarctic waters and noticeably cooler temperatures.

Day 6 - 7: South Shetland Islands

The volcanic South Shetland Islands offer amazing abundance and beauty, so we'll hop into our inflatable Zodiac boats and spend as much time as possible exploring. Be prepared to marvel up close at nature's glory!

Day 8 - 10: Antarctica

Here we'll explore any number of picturesque bays and famed harbors, maneuvering through majestic channels as we travel the wildlife-rich waters. There are great opportunities to stop at several active scientific bases and historic landing sites as we spot numerous species of penguins, seals, and whales along the rugged coastlines and in the sea.

Day 11-12: Drake Passage

We leave this magical place and make our way north, once again crossing the legendary Drake Passage. We have one last hurrah as we celebrate the conclusion of our expedition with a special slideshow and a final meal together.

Day 13: Ushuaia disembarkation

With huge smiles on weary, content faces, we disembark in the morning. Most flights to Buenos Aires depart in the afternoon. Let us know if you'd like to spend more time in the region, either in Southern Argentina or Chile, or further north, and we would be happy to help you put together a wonderful itinerary.
